

Bear With Us Ephesians 4:1-6

DISCUSSION QUESTIONS:

1. What steps can you take when you have a difference of opinion with a fellow believer? At what point does a difference of opinion become disunity in the Spirit?
2. We live in a society that emphasizes strength and power. How is it possible to be humble, gentle, patient, and bearing with one another in such a self-centered, power driven society?
3. Seven times in Ephesians 4:1-6 Paul emphasizes the word "one." In what ways does having a singular focus on one Spirit, God, body, faith, and hope help create a unified body of believers?
4. In what ways is living by the Spirit a greater motivator to live a life worthy of your calling rather than just following a set of rules?
5. Who is God calling you to bear with in love today?
